## ABOUT ME

I am a qualified Primary School teacher with current VIT registration. I am also a mum to 4 beautiful children. I enjoy the outdoors and walking, bike riding and swimming. I have always wanted to be a Primary School teacher ever since I was a little girl playing with my dolls at home. I am friendly, caring, organised and I always give 100% to everything that I do.

Cook Islands Placement

In 2010, I travelled with a group of Monash University students to the Cook Islands to complete a 3-week teaching placement. I was allocated to 2 schools. One school was the biggest on the main island, Rarotonga, and the other school was on the remotest island in the Cook Islands. We were the first University students to ever do a placement at this remote island, Mangaia, and most students did not speak English. The trip was an amazing experience.
